2021 Legacy Outreach Report

International Outreach

We believe every person deserves the opportunity to hear the Gospel of Jesus and to have a Bible in their native language. Our international strategy is fewer partners with the hopes of greater and wider impact.

A FEW INTERNATIONAL HIGHLIGHTS:

- In 2021, we began a partnership with **Wycliffe Bible Translators** on a **three-year project** to translate the New Testament into the language of Tunia for a group of indigenous people located in Chad, on the edge of the 10/40 window.
- We have entered into a **\$13,000** partnership with Pogue Ministry Builders for the construction of a church in Southern Mexico for an indigenous people group in Chiapas.
- We gave over **\$24,000** to help support over **52** ministries in the nation of Israel.
- We supported **120** children in Colombo, Sri Lanka with basic school necessities including shoes, supplies and essential food items.

We believe that as disciples, it is part of our calling to fulfill the Great Commission and we do this by partnering with ministries around the world. We invest in ministries focused in the following areas:

- Sri Lanka
- New Delhi
- Uganda
- Israel
- Chad
- Mexico
- Iran
